# ARTISTIC HERITAGE IMMERSION NEPAL

## COURSE DESCRIPTION

Embark on a **two-week Artistic Heritage Immersion in Nepal**, where art history comes alive against the backdrop of the Himalayas. This unique **study abroad** program offers students an **in-depth exploration of Nepal's rich artistic traditions**, from **ancient temple carvings to contemporary art scenes**. Participants will visit UNESCO World Heritage Sites, including the historic cities of Kathmandu, Patan, and Bhaktapur, renowned for their exquisite architecture and art. **Engaging workshops with local artisans** will provide **hands-on experience in traditional crafts** such as thangka painting and pottery. Guided by expert art historians, students will gain insights into the cultural and religious significance of Nepalese art. This immersive journey promises to **deepen your understanding and appreciation of Nepal's artistic heritage**.
